Princeville Speech Club was really active in 1977. With much spirit and talent they traveled to Dunlap where they competed in the District Speech Contest. The Speech Club then went to Pekin where the Blackhawk contest was held. They placed fourth, with two of the girls competing in the final round. 1977 was the best year ever for the Speech Club.

They planned a ski-trip, and even though everyone had to wait for the snow to fall, it was a fun trip when they finally got on the slopes. They also got very involved in a referendum for the school district. Even though the referendum failed, they learned much in the process.

Executive President

The responsibility for this year's production of PHS rested largely on the people comprising Princeville High School, the students. However, we couldn't have done it without the excellent supervision and guidance of the administration and faculty. Their contributions to the many phases of our education will long be remembered and appreciated.

Bill,
I have a scar

Even though you tease me
a lot (and seem to have a
pretty high opinion of your-
self) all around I think
You're a pretty neat guy.
Whatever you do just stay
as loony as you are. You
said to write something
good but I just can't help
myself. You are an S.O.B.

I guess I can't be mean.

B. J.

I was just reading a couple pages before this one where you wrote about yourself. You impossible to figure out. Anyway I hope we have a great football season and alot of fun during it. You're a sweet gal. and remember if you ever need mouth to mouth recceetation from someone.... be sure to ask a football manager!! ha ha (also take heart when you tease Mike about going out with an upper classmen. It could be you someday)!! Love Lisa

(your football mgr.)

BJ.

Jim not going to write all the usual stuff in your book. I want it to be different, because your different. Take that how you want to, but I didn't mean it in a bad way. I know alot of people will probably be reading this, so ~~I~~ will just stop here, but before I do. Remember what ever you do in life, if its going on to school, getting a job or just being a bum don't forget all the fun youve had here at Princeville, and also don't forget the times we had as friends and as neighbors.

Good-Luck

Bill,

"BJ" whatever! I don't really know what to say because I don't know you that well but I know you a lot better than before & I hope I get to know you better before I have to go back home. I wish you the best of luck in football career and I'm sure you are involved in anything you do and as nice & outgoing as you are you'll have no problem making friends & leave before I leave. Take care. Hang tough & Be Loose.

Always,

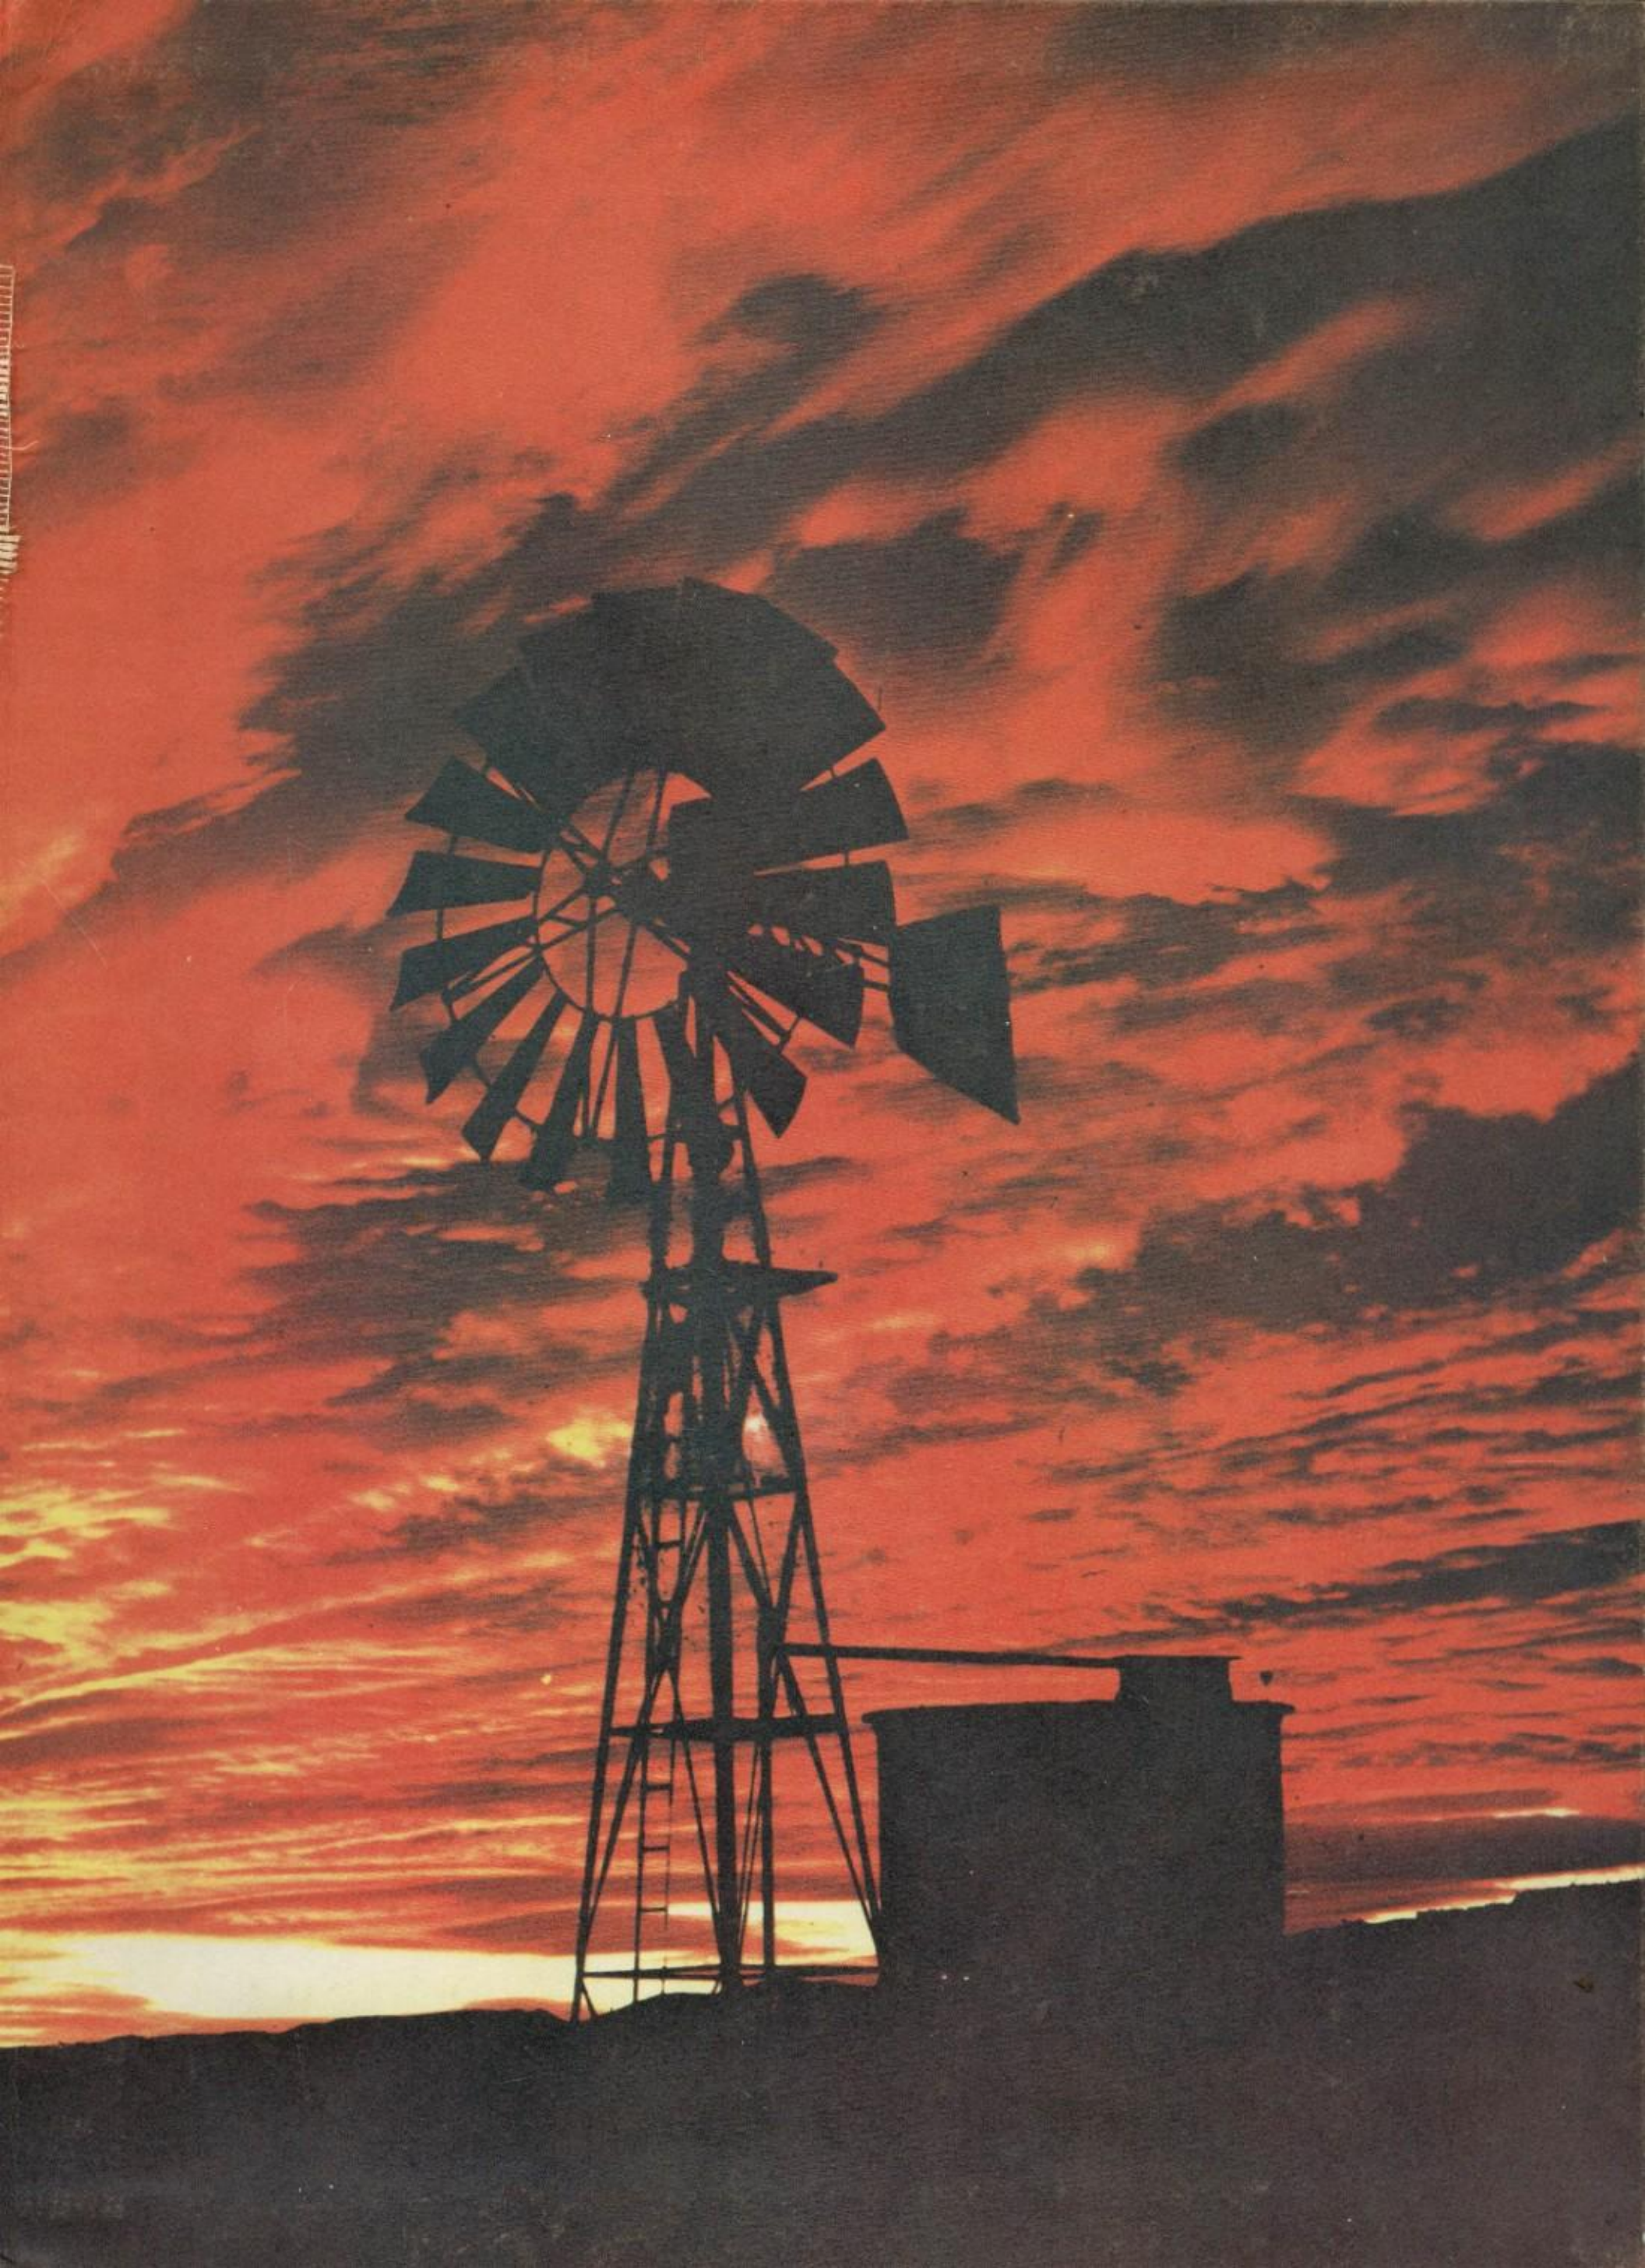
Snapper,
You are so sweet to reserve this whole page for me. But you're just sweet anyway. Do you know how long it's been? Guess? It hasn't been long enough. I'll really miss you when you leave. Let me know when you're coming home to work. So anybody that is reading this, I had a first grade a cheek. I hope we have a fun this year; and the next. Boo Boo! Do you remember Bunny Rabbit and Mrs. Thompson and the Big Mac with cheese and the waiter at Jumbo's and me saying out in the sun and getting all upset? (That was you fault!


And don't forget that you have to go to old Shreshers. ok. your Dad let you go. OK. Are you all set if he is / reading this, Nit Dad; I think you are a quick and I wish you'd get off B.D's back. Someday you'll be sorry. Well I gotta go for now. I forgot this isn't a letter. Now later. Love Ann (Babe)
